Dear Sir:

The undersigned, Ido Tuchman, hereby states that:

1. My office is located at 69-60 108 Street, Suite 503, Forest Hills, NY 11375.
2. I am a patent attorney representing International Business Machines Corporation ("IBM"), the assignee of interest for the application that is identified in the heading above ("the Application").
3. A reply to a Final Office Action dated February 14, 2003 for the Application was due on August 14, 2003.

5. At approximately 4pm on August 14, 2003, my office, as well as a large portion of the North-Eastern United States, experienced a blackout.
6. Electric power was not restored to my office until approximately 9am on August 15, 2003.

7. The blackout prevented me from printing and filing by Express Mail the Request for Continued Examination, Amendment and Response to Final Office Action, and associated formal papers on August 14, 2003.

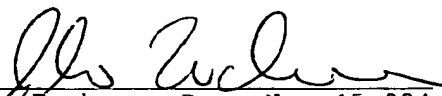

8. But for the blackout, I would have printed and filed by Express Mail the Request for Continued Examination, Amendment and Response to Final Office Action, and associated formal papers on August 14, 2003.

9. The Request for Continued Examination, Amendment and Response to Final Office Action, and associated formal papers were printed and filed by Express Mail on August 15, 2003.

I further declare that statements made herein of my own knowledge are true and that all statements on information are believed to be true, and further that these statements were made with the understanding that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. 1001) and may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
